ENJOY C9 BRAND & MAKE SOMEONE HAPPY!

IT //

C9 Brand - THE TINY FAMILY

è disegnato e realizzato in Italia ed è un marchio che ripensa il mondo moderno e ci riporta di nuovo ai nostri antichi valori. Tiny Family è un piccolo modo di mandare un saluto o un pensiero via posta.
Ormai, con le nuove tecnologie, non si mandano più cartoline, si mandano foto via messanger o email. Un peccato non aver più il calore della carta, delle cartoline,ecc... . Gli elementi di design sono oggetti che non si possono trasmettere via internet, si possono invece personalizzare con un messaggio e spedire via posta. L'oggetto stesso sarà un ricordo del messaggio ogni volta che sarà utilizzato o portato. Ovviamente si può anche solo dare di persona e rendere felice qualcuno! ;)

EN //

C9 Brand - THE TINY FAMILY

is designed and produced in Italy - it rethinks the modern world whilst bringing back a touch of nostalgia and traditional values. The Tiny Family is a small idea with a big heart - to send a greeting and a little thought by post. In a fast world of new technologies, we have stopped sending postcards and instead use messengers and email to communicate. The romance of postcards has been all but lost ... . The Tiny Family postcard encompasses the romance of traditional postcards with custom design which includes a small, unique gift. Each postcard is can be personalised and the little gifts themselves a special message of the recipient.
